

FLEXPOST BASE & SPRING COVER

Consider This!

Flexpost has designed a black boot to cover the innovative spring assembly on all standard Flexpost systems.

This will provide a more uniform, finished look to your Flexpost signpost and will protect it from the weather and other elements.

These covers look very nice with the optional black post, sold separately.

Only \$24.99 each, when ordered with any Flexpost signpost system.

Call Tom at 1-866-577-2588 to place your order today!
